1. DESIGN: The design will be positioned as shown. Some design and background colors will change with the selection of ink color. Refer to each page for more information.

2. COPY & LAYOUT: You may change the wording, but the layout of the copy such as centered, flush right, flush left is only available as shown on the sample(s).

3. LETTERING STYLE(S): You may choose up to 2 lettering styles. If you choose 2 lettering styles you will indicate one font for the invitation copy and one for the emphasis copy.

4. INK COLOR(S): Depending on the design, you may select 1 or 2 ink colors for your invitation copy. Some design and background colors will change depending on the selection of ink color. Please indicate color separations.

5. PRINTED ENVELOPES: Please use a separate order form for the invitations envelope flap and for the respond envelope. Printed envelopes will be printed in the same lettering style chosen for the invitation copy. Default ink color for envelopes is black.
